

Denny's Sanitation Payment Policies

New Long Term Service:

Denny's Sanitation reserves the right to require one of two things to set up a new long term service. We require either a \$50 deposit that will stay in account for one year. After a year of good payments we will credit the \$50 back into customer's account. The other option is to set up auto pay via credit card or ACH. If second option is set up then a deposit is not required.

New Short Term Service:

Denny's Sanitation reserves the right for a down payment via credit card. This down payment will cover the delivery fee and first service on container. The credit card will stay in the account until services are done and account is paid in full. We will not charge the charge for services due after the down payment is used up UNLESS the account is 2 months past due. **Denny's Sanitation reserves the right to charge the card for services 2 months past due.**

Rolloffs:

Denny's Sanitation reserves the right for a down payment via credit card. The dollar amount will be determined based on location and current pricing. The credit card will stay in the account until services are done. **After the down payment is used up Denny's Sanitation reserves the right to auto run the credit card for services owed both monthly or when services are done.**

Services on Accounts that have had a Past Due/Late Fee:

Denny's Sanitation reserves the right to not extend credit on account that have previously had a late fee/past due. Denny's Sanitation reserves the right for a down payment via credit card. This credit card will stay in customer account until services are done. **Denny's Sanitation reserves the right to auto run the card BEFORE any service is done.**
